Description:	SIGN B Permit Application. The feather banner is a vertical, free-standing promotional banner that will be used as part of our 2026 National Day of Prayer event at Celebration Park in Allen on May 7th, 2026. It will be up for no more than 5 hours (9am until 2pm max) that day. The National Day of Prayer is a peaceful, family-friendly community gathering focused on prayer, reflection, and encouragement for our city, state, and nation. One of two identical banners, this banner will measure approximately 9 feet tall and 2 feet wide and will be mounted on a stable, weighted base designed for outdoor park use. Its purpose is to help clearly identify the event area and provide wayfinding for attendees, without obstructing walkways or park activities. The banner is non-commercial, contains no lighting or sound elements, and will be installed and removed the same day as the event in coordination with City guidelines. We use it every year at this Allen community-wide event. As stated in other parts of this application - signs/banners will be installed and removed on the same day, a few hours apart: Thursday, May 7th. Installed around 9:00 AM and removed around 1:30 PM.

Description: *April 11, 2026-The Allen's Pollinator Pathway Kick-Off Event will serve as the official public launch of the Pollinator Pathway Project—a citywide initiative designed to expand pollinator-friendly habitats while engaging residents, businesses, and community leaders in conservation and sustainability efforts.*

This highly visible, family-friendly event will convene Allen residents, City leadership, environmental experts, and local businesses to celebrate the installation of the first Pollinator Pathway garden and inspire broad participation in creating a connected network of native plant habitats across the city.

The event will feature a ceremonial ribbon cutting or "groundbreaking" for the inaugural pollinator garden, hands-on planting activities, educational programming, local food vendors, live music, and interactive experiences for all ages. Attendees will leave with both the knowledge and tools needed to become active participants in supporting pollinators in their own neighborhoods.
